Basic Skills Training Course for SOLO RIDERS & SIDECAR DRIVERS

As part of the ACU's ongoing policy of rider development and education, and in line with requirements as laid down in the 2021 ACU Handbook, all first time applicants for Road Race Licences must undergo a virtual classroom training course and a basic riding ability test.

The virtual classroom course will take place on Good Friday 2nd April and will be hosted on Zoom. Full details will be sent to you nearer the time. The purpose of the classroom course is to ensure that you understand the basic safety and organisational requirements to participate in road racing. Before any new licence can be issued, you must satisfactorily attend the course and pass the multiple-choice test. If you have any worries that you may find the end of course test difficult to complete, please call 01788 566405 or 01246 866537.

In addition to this course all applicants for a Road Race Licence must undergo a Basic Rider Assessment Course to show you have the ability to rider a motorcycle. To take part in this course you must have the use of a motorcycle, but not necessarily a racing motorcycle, and a full set of protective clothing. **You can ride any motorcycle for the Basic Riding Ability Test.** The motorcycle should not have any race numbers showing during the test. You will also be required to have a full one-piece leather suit, safety helmet with a gold sticker, and leather boots and gloves.

The Basic Rider Assessment course will be held at Darley Moor Sports Centre Ashbourne, on Saturday 3rd April starting at 10.00 am and will be organised by the Darley Moor Club.

To book a place on the course please complete the attached form. The fee for the course includes the course notes and the test itself. The cost of the two part course will be £175.00. If you already hold a valid current CTC course certificate then the Basic Rider Assessment course is £135.00.

You must wear a one piece leather suit and have the ACU Gold sticker on your helmet. Leather boots and gloves must also be worn.

Your motorcycle must have a noise limit of 105 dba or less. Every machine will be noise tested on the day.

If you are under 18 on the day of the course then your Parents or Legal Guardian must accompany you to the Basic Riding Ability Course.

If you only require the Classroom CTC part of the course please complete the Sidecar Passenger Training Application Form available on this website.

Declaration

I the undersigned apply to enter the event described above and in consideration thereof: -

I hereby declare that I have had the opportunity to read, and that I understand the National Sporting Code of the ACU, the ACU Standing Regulations, such Supplementary Regulations as have or may be issued for the event, and agree to be bound by them.

I further declare that I am physically and mentally fit to take part in the event and I am competent to do so. I confirm that I understand the nature and type of event I am entering and its inherent risks and agree to accept the same notwithstanding that such risks may involve negligence on the part of the organisers or officials.

I confirm that I am not currently suspended from ACU permitted competition nor on the ACU Stop List as a result of incurring a Concussion or suspected concussion injury.

I accept that insurance arranged on my behalf by the organisers of events that I may enter specifically excludes liability between the participants. I understand that this form may be used in litigation as evidence that any serious injury will be principally the result of my voluntary decision to engage in a high-risk activity.

I consent to details of any injuries I may suffer at this event being passed between all medical services and the Clerk of the Course.

I have read and understood The Auto Cycle Union Data Protection Policy and I consent to the collection and retention of my personal information by the ACU.

I confirm that the machine(s) as described overleaf which I shall participate on shall be suitable and proper for the purpose. I confirm that I am eligible to compete on the machines for which I have entered.

By participating in this event, I will take all necessary steps to protect myself and others from the risk of infection. I agree to follow and abide by any instructions set down by the Organiser in an effort to minimise the risk of the Covid-19 virus.

I acknowledge and accept the underlying and unavoidable risk of infection from the Covid-19 virus.

I confirm that all Inland Revenue dues and all VAT have been paid on all fuel that I will use during this event.

I confirm that I have read the Safety Guidance Notes provided by the Club with my Regulations.

Acknowledgement of the risks of motorsport: I understand that by taking part in this event I am exposed to a risk of death, becoming permanently disabled or suffering some other serious injury and I acknowledge that even in the event that negligence on the part of the ACU, the promoter, the organising club, the venue owner, or any individual carrying out duties on their behalf were to be a contributory cause of any serious injury I may suffer, the dominant cause of any serious injury will always be my voluntary decision to take part in a high risk activity.

I have read the above and acknowledge that my participation in motorsport is entirely at my own risk. I agree that I am required to register on arrival by signing on at the designated place before taking part in any practice session or race.
